# Drum Heads for Drum Line

*My students need drum heads to perform in our marching show next year.*

## My Students

In the past eight years, my students have proved that anyone can be great if given the chance. They have gained confidence, become better musicians, and more importantly better people.

| *They are kind, giving and selfless.*

They have accomplished a lot and with very little resources. They use their time to forget everything negative and focus on becoming something special.

They use school as a means of escaping the realities of life. These are the kind of traits that allow my students to be successful.

My Project

The drum heads we are requesting will be used to replace our old drum heads on our existing Pearl marching drums.

*These drum heads will be used in all of our competitive marching and indoor drum line shows.*

The Remo Black Max Crimped drum head will allow our snares to be heard from the football field all the way up to the judges in the press box. The Remo Emporor Clear Crimplock Tenor Heads will allow use to achieve good tone from our marching tenors. And finally, the Remo Powermax 2 Bass Drum Heads will allow our bass drums to each have a distinguishable tone, so when played in sequence each bass drum can be heard.

More than half of students from low-income households ?
